Meeting/Speaker Introduction

Leadership as a Competitive Advantage - Judy Hissong, President of Nesson Strategies

How often do you consider leadership one of your profit centers? Law firms don't have a history of looking at how great leaders generate higher profits, and yet we know they do! Join in this conversation to understand how your culture impacts leadership, accountability, and engagement. You'll leave with practical tips and tricks to apply in your firm immediately.

Judy earned her Bachelor's Degree in Accounting from Huntingdon College, and her Master's Degree in Sports Management from the University of Richmond. In addition to her Professional Coaching Certification, she is a licensed provider for the suite of emotional intelligence tools provided by Personal Strengths Publishing, and also for the Living Your Vision process. She is a Certified Legal Manager. She resides in San Diego, CA.
